A DAY TOUR IN KARELIA

Duration: 6 hours (approximately)
Available: all round year (mon and fri)
Minimum number of participants 10 people

Spend an exciting day on a trip arranged by Pajarinhovi! On this trip you will stop at four different places that all have their unique twist. The first stop is a bison farm, where you will be able to follow a big herd of the magnificent animals at a close distance from a tractor trailer. The next stop will happen at the Russian border, where you will be able to peek into Finland's neighboring country from under 100 meters distance. At Siikalahti you will visit at one of the most famous bird paradises in Finland. The last waypoint is the Parikkala Sculptrure park, which is the most famous ITE-art collection in Finland. Sculpted by Veijo Rönkkönen (1944-2010) there are 560 expressive and interesting sculptures, inspired by various themes. The sculptures are placed in a garden, so the glow of beautiful flowers will also add to your experience. Tens of thousands of people visit this unique park annually, and we warmly welcome you to be one of them!

A guide will accompany you in all the destinations and share their expertise with you. They will also gladly answer your questions. During the trip you will be able to enjoy a delicious lunch and drink a cup of good coffee, both being

included in the price. The guide speaks English and Finnish. The trip will start 9 am.

Price: 88€/adults, 50€/children (3-12 yo.)
