GUIDED TOUR OF THE KITEE ZOO

Duration: 1,5- 2 hours
Available: all year round (mon-thu)
Minimum number or participants is 10 people.

Kitee zoo is the fourth largest zoo in Finland. The zoo is located next to tourist centre Pajarinhovi in Puhos, an hour's drive from the cities of Joensuu and Savonlinna. The zoo is a part of a family business founded in 1981, and has been taken care of by the same family for the whole time. Behind the zoo gates you can find traditional dwellers of the Finnish forests, but on your way you can also come across some exotic species that have travelled to Kitee zoo from faraway lands. An example is the completely black Ayam Cemani chicken that not only has completely black feathers but black blood and bones too and has come to Finland all the way from Indonesia.

1,5-2 hours long guided tour in the zoo takes you on a 2km long journey to meet for example Riku the bear and Väinö the lynx, as well as other 48 species. During the tour the guide will tell you about the animals' history and their behaviour. They will also gladly answer the questions that come to your mind. The leave on the tour is every day at 12 o'clock. Enrolment happens on the day before. Please enrol by 4 pm.

Price: 30€/adult, 15€/ children (3-12 yo.). Welcome to Kitee zoo!
